2024	396	246	80	25
2025	353	243	120	25

# Why exhibit at the **MAOA** **2026 Annual Meeting?**

## **Mid-America Orthopaedic Association**

The MAOA Annual Meeting features a comprehensive range of scientific content spanning all areas of orthopedic surgery. Presentations are delivered by renowned experts, association members, and residents, making it a valuable educational forum for both specialists and generalists. The meeting also welcomes allied health professionals and medical students. Known for its high-quality programming, the event emphasizes audience engagement and interaction. Attendees are eligible to earn Continuing Medical Education (CME) credits.

## **Dedicated Networking Opportunities**

Your company representatives will have multiple dedicated opportunities to connect with MAOA meeting attendees during continental breakfasts, coffee breaks, and the Exhibitor Reception on Thursday evening. During the reception, physicians and their families will visit exhibitor booths while enjoying refreshments. To further encourage booth traffic, prize drawings and giveaways will take place throughout the meeting. Additional exclusive opportunities are available, providing even more occasions to engage with attendees in a relaxed, social setting just for your company.

## **Attendee Lists**

Exhibitors will receive a complimentary preliminary list of registered attendees approximately four weeks before the meeting, allowing you to promote your products and services in advance and help drive traffic to your booth. A final attendee list will also be provided at no cost approximately three weeks after the meeting. In addition, all attendee name badges will feature a QR code that exhibitors can easily scan to capture contact information and add attendees directly to their records, making follow-up simple and efficient.

## **Access to the Scientific Program**

MAOA encourages registered exhibitor representatives to attend the scientific sessions. This access helps your sales team gain the latest insights in orthopedics, strengthen relationships with attendees, and position your company for a competitive edge.

## **Recognition**

Your company will be featured in the MAOA Annual Meeting app, including your contact details, website link, and a brief description. In addition, you will be acknowledged on the MAOA website and in the bi-annual MAOA newsletter.
