

A Life-Changing Career

Orthopedic Surgery

As a part of Mayo Clinic Health System, our Orthopedic Surgeons play an active role in linking Mayo Clinic's respected expertise in practice, education, and research with the health-delivery systems of local communities. It's through this power of collaboration that MCHS brings the knowledge and expertise of Mayo Clinic to over 500,000 patients across more than 60 communities in Minnesota, Wisconsin, and Iowa each year.

Mayo Clinic Health System Orthopedics Teams have redesigned the orthopedic care experience, delivering one of the best programs tailored to the patients' exact needs – so they can recover quickly and regain their quality of life. Whether you're looking for a career at a large regional medical center and hospital or a rural primary care clinic – Mayo Clinic Health System's group of hospitals, clinics and health care facilities have an opportunity to fit your needs.

A CAREER AT MCHS OFFERS:

- Stable Practice Environment
- Highly Competitive Compensation
- Exceptional Benefits, Including Mayo Clinic-funded Pension
- Generous Relocation Package
- Mayo Clinic Malpractice Coverage
- Comprehensive CME Package

Join the authority in medicine and partner with the nation's best hospital (U.S. News & World Report 2021-2022), ranked #1 in more specialties than any other care provider. As one of FORTUNE Magazine's Top 100 Best Companies to Work For, Mayo Clinic Health System delivers on a culture of teamwork, professionalism, mutual respect, and – most importantly – a life-changing career.
