

JOIN A PREMIER TOTAL JOINT TEAM at the University of Missouri

The Department of Orthopaedic Surgery at the University of Missouri School of Medicine is seeking a Total Joint Surgeon to join our dynamic team.

**For more information, visit
hr.missouri.edu/job-openings
and enter job ID 53835.**

Anchored by the renowned Missouri Orthopaedic Institute (MOI), our department is at the forefront of patient care, education, and research.

- Enjoy a vibrant practice in hip and knee arthroplasty - across the full spectrum of primary and revision joint replacement
- Advance surgical techniques with engagement and evaluation of surgical navigation/robotic surgery platforms
- Engage education and surgical training of hip/knee arthroplasty fellows and orthopaedic surgery residents
- Have access to research facilities that are co-located within our free-standing orthopaedic hospital
- Experience opportunities for academic advancement in local, regional and national academic organizations
- Receive a strong financial compensation, comprehensive benefits, and robust support for professional development

Columbia, Missouri is an Outstanding Place to Live!

- *A Vibrant College Town:* As Home to the University of Missouri (SEC), Columbia buzzes with energy and endless activities to explore. Read about it [here](#).
- *Affordable Living:* Ensuring that you can enjoy an excellent quality of life.
- *National Recognition:* Columbia consistently ranks among the top places to live in the U.S.
