Dear Colleagues and Guests:

We hope you will be able to join us at the Hyatt Regency Hill Country Resort in San Antonio, Texas, for the 36th Annual Meeting of the Mid-America Orthopaedic Association. Ryan Nunley and the Program Committee have done an incredible job and will be providing us with another stellar educational meeting. We will continue our traditional Plenary and Breakout sessions, along with the early morning Instructional Course Lectures, symposia during the plenary sessions, and poster sessions – offering up to 28.5 CMEs for the regular meeting alone. In addition, we will again be co-sponsoring a pre-meeting with ICJR. Carlos Higuera and team have an interesting concept for the one-day course on Wednesday – “Essential Hip Topics: Cradle to Grave” and will cover pediatric hip disease, sports hip, young adult trauma, arthroplasty, and geriatric hip issues.

Our guest speakers are an important part of our meeting, and this year is no exception. The speakers and their topics are:

Presidential Guest Speaker

Richard D. Scott, M.D., Dedham, MA
“Mistakes Made, Lessons Learned After 40 Years of Orthopedic Practice”

Rapp Lecturer

James P. Stannard, M.D., Columbia, MO
“Biologic Replacement of the Knee”

Classics Speakers

Stephen S. Burkhart, M.D., San Antonio, TX
“The Burden of Craft in Arthroscopic Rotator Cuff Repair: Where We Have Been and Where We Are Going”

Richard E. McCarthy, M.D., Little Rock, AR
“Scoliosis 2018: A Brief Overview”

Milton L. Routt, Jr., M.D., Houston, TX
“Pelvic and Acetabular Trauma Update”

In addition to the exceptional scientific program, we will have several social activities which include:

- MAOA Golf Tournament
- MAOA Tennis Tournament
- The Best of San Antonio Tour which includes a river barge tour down the San Antonio River at the Riverwalk, tour of The Alamo, and shopping at El Mercado
- Wine tasting and tour at the Becker Vineyards in Fredericksburg, TX

You can sign up for the above tours and tournaments when you complete your online meeting registration (www.maoa.org).

Tanya and I hope you and your family will join us at the Hyatt Regency Hill Country Resort in San Antonio, April 18-22, for a great educational experience and the opportunity to see old friends and establish new ones.

C. Lowry Barnes, M.D.
President, Mid-America Orthopaedic Association

CME Accreditation

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the American Academy of Orthopaedic Surgeons and Mid-America Orthopaedic Association.

The American Academy of Orthopaedic Surgeons is accredited by the ACCME to provide continuing medical education for physicians.

The American Academy of Orthopaedic Surgeons designates this live activity for a maximum of 28.5* *AMA PRA Category 1 Credits*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**8 CME Credits for MAOA/ICJR Pre-Meeting Course*

**16 CME Credits for Scientific Program*

**2.5 CME Credits for Scientific Poster Sessions*

**1 CME Credit for Ask the Expert*

**1 CME Credit for Quiz Bowl*

Objectives

Objective 1: Discuss the obesity epidemic in management of the orthopedic patient.

Objective 2: Understand the evolving role for outpatient total joint arthroplasty.

Objective 3: Provide a review for the treatment of complex orthopedic trauma conditions.

Objective 4: Review the diagnostic as well as treatment options for common orthopedic spine conditions.

Objective 5: Understand the current state of ACL surgery as well as common preoperative, intraoperative, and postoperative considerations.

Objective 6: Review the key aspects of limb salvage surgery.

Objective 7: Review new diagnostic techniques for infections in arthroplasty as well as treatment considerations.

Objective 8: Provide an understanding of evidence-based medicine and how large multicenter trials are arranged.

Objective 9: Understand the financial burden of osteoarthritis.

Objective 10: Provide the clinical outcomes for hip preservation.

Objective 11: Discuss the narcotic/opioid crisis and how to better manage pain in the orthopedic patient.

The purpose of this course is to provide residents an opportunity to interact and ask the questions they want answered for topics not taught in residency. The course will start with a 15-minute panel and then move to smaller round-table groups for discussion. Some topics to be covered may include: work/life balance, things to ask in the interview and the view from the other side of the desk, what you can't leave your fellowship without, how to make a good first impression (fellowship and your job), organization/time management/balance, how do I know what kind of job to take? (hospital employee, private practice, academics), and winning friends and not making enemies: your partners, OR, hospital, and office personnel.

Robert T. Trousdale, M.D., Rochester, MN

Robert W. Westermann, M.D., Iowa City, IA

Learning Objectives:

1. To explore the current trends in the diagnosis and treatment of common sources of hip pain in pediatric and adolescent patients.
2. To comprehend the contemporary management of hip sports injuries including labral tears and the space of the preservation alternatives including biologic augments.
3. To understand the stream principles of hip fracture fixation surgical techniques and review a few tricks to make the management of such injuries easier.
4. To learn how to approach the different presentations of degenerative hip disease from the arthroplasty standpoint, reviewing the current evidence in surgical approaches.
5. To gather tips to optimize patients for hip surgery and potentially minimize complications and improve overall outcomes.
6. To enhance strategies in dealing with complications after primary hip replacement.

Pre-Course Agenda:

Pediatric and Adolescent Hip

- Basics of Hip Dysplasia – Diagnosis and Treatment
- Slipped Capital Femoral Epiphysis (SCFE) – When is Surgery Indicated?
- Perthes Disease – Understanding Risk Factors, Prognosis, and Treatment
- Femoroacetabular Impingement – Early Diagnosis and Implications of Treatment

Sports Medicine

- Soft Tissue Injuries Around the Hip – Diagnosis and Treatment
- Labral Tears – Understanding the Basics
- Preservation Medicine for Hip Ailments – What is the Evidence?

Trauma

- Hip Fractures in the Elderly – Preoperative Clearance and Timing
- Hip Intertrochanteric Fractures: To Plate or to Nail?
- Hip Intertrochanteric Fractures: Tips and Tricks
- Femoral Neck Fractures: Percutaneous Pinning vs. Hemiarthroplasty vs. Total Hip Arthroplasty – What is the Evidence?

Acute Trauma Cases from Pediatrics to the Elderly:

Panel Discussion

Adult Reconstruction

- Avascular Necrosis of the Hip – Current Concepts
- Total Hip Arthroplasty Surgical Approach – What is the Best?
- Optimizing Your Patient and Your Practice – Surviving the New Health Care Paradigm
- Cemented THA – Indications and Tricks
- Outpatient THA – Do's and Don'ts

THA Difficult Cases and Complications

- THA for Hip Dysplasia – Follow the Basic Principles
- THA After Fracture Fixation – 10 Simple Rules
- Minimizing Dislocations – Current Concepts
- Periprosthetic Infections – Prevention Strategies and Diagnosis
- Periprosthetic Fractures – Avoiding Further Complications

Total Hip Arthroplasty Cases – Current Controversies: Panel Discussion

Join us one day prior to the MAOA Annual Meeting for this CME event of didactic lectures and an engaging series of interactive case-study workshops. Fee: \$250 for practicing orthopedists and \$150 for residents, fellows, medical students, and allied health. To register, visit the MAOA web site (www.maoa.org). Click on “2018 Annual Meeting”. 8 Category 1 CME credits will be offered for this one-day course. For more information, go to the ICJR (www.icjr.net) or MAOA (www.maoa.org)

Resident Quiz Bowl

Saturday, April 21, 2018

8:30 a.m. - 9:30 a.m.

Back by popular demand! This session will be a fun, interactive hour focusing on important issues in all areas of orthopedics. Format will be similar to a quiz show where orthopedic residents from academic programs in the Mid-America region will compete against one another answering questions from a well-informed moderator!! Score will be kept!! This will be an educational experience for both participants as well as the audience.

For a complete list of the scientific presentations and posters, please visit the MAOA web site (www.maoa.org).

Meeting Registration

Please visit www.maoa.org to register for the meeting and reserve a hotel room. Make plans early to attend a great meeting. **All presenters are required to register and pay a registration fee.**

What is included in your registration fee?

See the MAOA web site regarding the separate registration fee for the Wednesday, April 18, 2018, pre-meeting course “Essential Hip Topics: Cradle to Grave”.

Regular Meeting registration fees include:

Physician Registration

- Continental Breakfast in Exhibit Area on Thursday, Friday, and Saturday
- Coffee Breaks in the Exhibit Area
- Welcome Reception and Buffet Dinner on Wednesday
- Friday Night Dinner
- Meeting Expenses - As with all meetings, your registration fee helps to cover all expenses of the annual meeting, such as name badges, printing, postage, audiovisual equipment, etc.

Spouse/Guest Registration

- Continental Breakfast at the Spouse/Guest Hospitality on Thursday and Friday
- Welcome Reception and Buffet Dinner on Wednesday
- Friday Night Dinner
- Name badge

Controlling Registration Fees

Charges for functions, meeting space, and amenities are ameliorated in direct ratio to the number of rooms booked through the Association's block. Consolidating our reservations helps control registration fees.

1:30 p.m. - 7:00 p.m. **Fredericksburg Wine Tour – Becker Vineyards**

If you've never thought of Texas as wine country, think again! A fun visit, tour, and tasting is planned to the Becker Vineyards in Fredericksburg (1 hour 20 minute ride from the hotel through the beautiful Hill Country area to Becker Vineyards). The Becker Family aspires to maintaining the "Old World" feel at the winery with a reproduction of a late 19th century German stone barn, a style prevalent in the Texas Hill Country. Becker Vineyards is a farm of 46 acres of estate fruit and lavender, along with the famous Stonewall peach orchards. Taste award-winning wines and gaze upon the lavender fields, antique windmill, and artichoke test plot. Shop after the tour and tasting, as time permits, for wine and lavender products. A beautiful winery not to be missed.
