## 2022 – 2023 MULTIPURPOSE RESIDENT GRANTS

Three grants of **\$6,000** each are available for eligible individuals\* on a competitive basis for a variety of possible uses.

- The grant may be used to fund a "visiting residency", educational trip abroad, research project, or any other educational activity which the resident might wish to propose (interview travel requests are not eligible for this award). A list of the programs participating in the visiting residencies may be obtained from the Mid-America office.
- Residents receiving awards must use the funds within the academic year in which it is awarded and will be invited to the first Mid-America Orthopaedic Association annual meeting after the project is completed.
